

CULTS LAWN TENNIS CLUB

End of Term Tournaments

Yes, school is almost over for another year so let's celebrate by playing competitive tennis with a twist!

Thursday 26th June – Handicap singles tournament

Thursday 3rd July – Handicap doubles tournament

Handicap events involve the scoring being set before the start of the match by the referee. For example if you are playing against someone younger than you the referee may decide to give them a '+15' & you a '-15' score. The idea being to try and make the match as even as possible so anyone can win. These are great events as they mix everyone up and everyone competes.

Please note: The boys girls will be mixed in for both events

Invite a friend along for the fun

You will need to organise a partner for the doubles event

Please let Kris Soutar know your entry two days before the event

Entry fee is £3.00 per person, if you bring a friend from outside the club you get free entry!!

Play starts at 4.30 and will run for approximately 3-4 hours depending on entry

There will be prizes for winners and other categories to be announced on the day
